## ECAASU Announces 2022 Conference Team

**Washington, DC- The East Coast Asian American Student Union (ECAASU)** has awarded the 2022 Conference Bid to the **Boston University, Massachusetts Institute of Technology, and Northeastern University Team**. Congratulations to this collective of passionate and dedicated students! ECAASU is excited to partner with these organizations, and others in the Boston area, throughout the next year.

While it is impossible to predict how 2021 and 2022 will continue to unfold, ECAASU and the 2022 Conference Team strive to hold a conference **dedicated to inspiring, educating, and empowering all attendees**, whether in-person or virtually.

More information will be released in Fall 2021. Congratulations again to the Bid Team!
